

## **Brought - forward reports from 2013**

### (1) Fish Farm @ Big Splash

Reported by Miss Janice and Miss Pearlyn

On the 8<sup>th</sup> and 14<sup>th</sup> of November the Pre-Nursery and Nursery children visited the Fish Farm at Big Splash. Upon arrival, the children were greeted by the organizer, Mr Chiam.

At the Fish Farm, the children had the opportunity to experience what olden day fishing was like. The children began by feeding the colorful koi fishes. A few daring children got a ticklish experience to get their feet soaked in the fish spa! After which, the children were given a fishing net each. The teachers entered the pond and guided a few children in, some children took awhile to warm up before making the decision to step into the pond and catch their fish. Splashing and running around in the pond, the children enjoyed themselves and each managed to catch a few fishes with their net.

At the end of the day, the children thoroughly enjoyed themselves and their hard work was paid off as they were able to bring home a tank of colourful fishes and their fishing nets.

## **(2) Writeup on SEA Aquarium Excursion**

Reported by Miss Gillian

On 15 November 2013, the K1 and K2 children went on an excursion to the Marine Life Park SEA Aquarium. The SEA Aquarium is the world's largest oceanarium and has more than 800 species of marine animals. Upon arrival, the children were given a badge each and the role as a marine explorer. The tour guides then brought the children around the Aquarium.

The children had a whale of a time exploring and learning new facts about the different sea creatures. They listened intently to the tour guides' explanations and were actively engaged at the touching pool. They also enjoyed looking at all the numerous sea creatures at the viewing panel.

Overall, it was an enriching underwater experience for the children.

## **(3) Writeup on K1 & K2 Camp**

Reported by Miss Gillian

On 19 and 20 November 2013, the K1 and K2 children participated in a Holiday camp organized by the Kindergarten. The theme of the camp is "The Greatness of God". The camp had a lineup of exciting activities for the children to bond with God, their friends and to just have fun! The camp started off with morning aerobics where the children stretched and enjoyed a good workout. This was followed up with praising and worshiping God with all their hearts and minds.

Bible stories were told to emphasize the Greatness of God and the children shouted and cheered "God is Great!" with great gusto and joy. The highly anticipated indoor and wet outdoor games liven up the atmosphere as the children and teachers played hard and laughed hard. The camp ended with Mrs Quan leading a prayer for the graduating K2 children.
